| 1    | Welcome, semester overview | 1/9 | Purchasing Forms & Process | Detailed Schedule Assessments  
Outsourced Manufacturing Assessment |
| 2    | No Class - Martin Luther King, Jr. Day | 1/11 | Oral Communication | Manufacturing MCM  
Safety training must be completed by 5pm 1/20 |
| 3    | Engineering Drawings | 1/16 | Tolerancing | Project Review  
Finalize MCM and begin MCM testing |
| 4    | Oral Communication | 1/18 | GD&T | MCM Testing and refinement |
| 5    | GD&T | 1/20 | GD&T | MCM Hardware Demonstration |
| 6    | GD&T | 1/22 | GD&T Workshop |  |

### Notes

- No Class - Presidents' Day: 2/20  
  - Detailed Design/Manufacturing Review  
    1/2 way done right? 80/20 RULE!
- No Class - Spring Recess: 3/13  
  - Beach day(s)? Alas likely not for engineering students
- No Class - Kuhio Day: 3/27  
  - Midterm Report  
    Prototype testing
- 3/29  
  - Alpha Prototype Hardware Demonstration
- 4/10  
  - Alpha Prototype Hardware Demonstration  
    Oops, it didn't work like we thought. Now what?
- 4/19  
  - Final Report and Poster Drafts  
    April 21 - College of Engineering Banquet
- 4/24  
  - Final Hardware Demonstration
- 5/1  
  - 5/5 FRMDC 12-6 PM  
    Oral and Poster Presentation
- 5/8  
  - Final Report, Peer Reviews, Design Notebooks
